Service to Education Award

to

Mary Andrecolich-Diaz

**Principal, Rochester International Academy,
Rochester City School District**

RIA provides newly arrived English language learners with an instructional program that simultaneously facilitates the acquisition of the English language, curriculum content, and academic skills. It serves about 400 students from 20 different countries in grades 4-12 who speak 28 different languages.

Mary Andrecolich-Diaz is the founder as well as principal of the RIA. RIA was one of eight schools in the country to be named a Gold School of Opportunity, in honor of its success in closing the opportunity gap in education.
